felicitates

Shri NURDIN NATHU, Advocate

Sir,

You were born at Tangi, Odisha on the 20th of December, 1942 to Late Shri Nathu Ali Mohammed and Late Fatima Ali Mohammed.

You were called to the Bar on the 14th of March, 1966. You started your practice in Taxation Laws at Cuttack and then shifted your base to Dhenkanal in the erstwhile Dhenkanal District. In a legal practice of more than fifty eight years, your professional achievements are innumerable and your organising spirit are limitless. You played a pivotal in establishing the Dhenkanal District Tax Bar Association in the undivided district of Dhenkanal.

As a first-generation tax lawyer you have faced numerous challenges and obstacles, but even in moments of self doubt you have never allowed them to define you or deter you from pursuing your dreams.

You were determined to rise upon your circumstances and decided to embark on a different path- a path that ultimately led you, to what you are today and you set out on that path to make your dreams into reality. The intricacies and complexity and implications of the Taxation Laws fascinated you and you knew that this was the path which you were destined to follow to make the most meaningful impact.

Your understanding of life grew gradually but steadily and you began to build a niche for yourself in the complex world of taxation laws in Odisha. Building a solid practice and obtaining advice from the mentors were critical components of your journey. You surrounded yourself with people who believed in your potential, supported your aspirations and pushed you to go beyond your comfort zone and helped you to transfer each hurdle into an opportunity to build a strong legal practice.

Today as a taxation lawyer, you are humbled by the path that has led you to this point where each adversity has formed you into the Tax professional that you are today-tenacious, compassionate and driven to make a difference. The obstacles that you have faced over the last several years have formed you into a vibrant tax professional who not only understands the subtleties of the taxation laws but also empathizes with the goals and problems of the individuals and businesses in our state.

Your legacy inspires the present generation of tax professionals to embrace the change in the taxation laws and procedures.

The All India Federation of Tax Practitioners (AIFTP) feels proud to felicitate you on this day of Madhu Jayanti, the Lawyer's Day, 2024.

Ladies and Gentleman at the All India Federation of Tax Practitioners
